

## Firegrates - Wood Only

**Swan's Nest 18"**  
with Brass Regency Dogs  
W-18" x D-12"

**Swan's Nest 24"**  
with Nouveau Polished Dogs  
W-25" x D-13"

**Swan's Nest 36"**  
with Brass Celtic Dogs  
W-37" x D-16"

## Firegrates - Coal Burner

Many of our firegrates can be combined with our coal effect natural gas or propane burner. This burner is 30,000 BTU's, and provides a very realistic coal burning flame effect. Minimum of 6" round flue required. Two sizes are available: W-14" x D-6 1/4" and W-12" x D-6 1/4". Optional Acumen modulating remote available.

We often forget the role that the grate plays in the decoration of the hearth, as frequently the addition of an attractive firegrate is the easiest way to dress a plain looking fireplace. This varied selection of traditional and contemporary firegrates is unsurpassed in the industry. We have combined supreme craftsmanship, quality materials, and elegant designs that will offer you something more than just a set of logs in your fireplace. All of our grates can be used for wood and coal burning and many can accommodate our coal effect gas burner.
