## Mr. William F. Stoll, Sr.

1914 - 2008

### Founder of Stoll Fireplace

Stoll Industries was established in 1969 by Mr. William F. Stoll, Sr. A family owned and operated business, it began with one man's need for a screen that would fit his extra large fireplace.

Today, the 3rd generation of the Stoll family continues to manufacture hearth, home, and kitchen products that are retailed across America. From glass enclosures to log holders, from range hoods to outdoor kitchens, our hand-made products are the epitome of quality.

Above all, Mr. William F. Stoll, Sr.'s Christian values continue to be the guiding principles of the company's ethical standards, customer satisfaction, and product quality.

### MISSION OF STOLL INDUSTRIES

To be intentional in our actions, building an environment of honesty and faith that creates a platform for God in the workplace.

### GOALS OF STOLL INDUSTRIES

- To honor God with our business
- To treat others as we would like to be treated
- To have those we do business with become our friends
- To do our best to provide you with a high quality product.

### A MESSAGE OF HOPE

"For God loved the world so much that He gave His one and only Son, so that everyone who believes in Him will not perish but have eternal life."

John 3:16 NLT
